Portfolio Link: <https://sj1315.github.io/My-Portfolio/>

Address: San Pedro, Alicia, Isabela

My objective is to create user-friendly and efficient websites that are visually appealing and easy to navigate. I utilize my skills in HTML, CSS, JavaScript, and React to develop websites that meet all the requirements of the client. I am confident that I can apply these skills to a Web Developer Role. I am also looking forward to use my skills for the growth of the company/organization and myself.
